

14TH ANNUAL PEAK CYBER SYMPOSIUM

SPEAKER BIO

Eric Wolf
Vice President of Innovation
AMERICAN SYSTEMS Corporation

Title: Pretexting, Vishing, and Tailgating – *Oh My!* A Cyber-attack that Almost Worked.

Description: An AMERICAN SYSTEMS case-study of a targeted Black Basta incident which included highly imaginative steps to legitimize pretext and broader socially engineered discussions to build trust with the targeted victims in similar fashion as classic cons.

14TH ANNUAL PEAK CYBER SYMPOSIUM

SEPTEMBER 11 - 12, 2024 | COLORADO SPRINGS, CO
